It's 8:00 AM and it is time for school.
My mom tells me what I can do. If it is
time for math, she gives me my math
homework, if it is time for English, she
gives me my English homework.

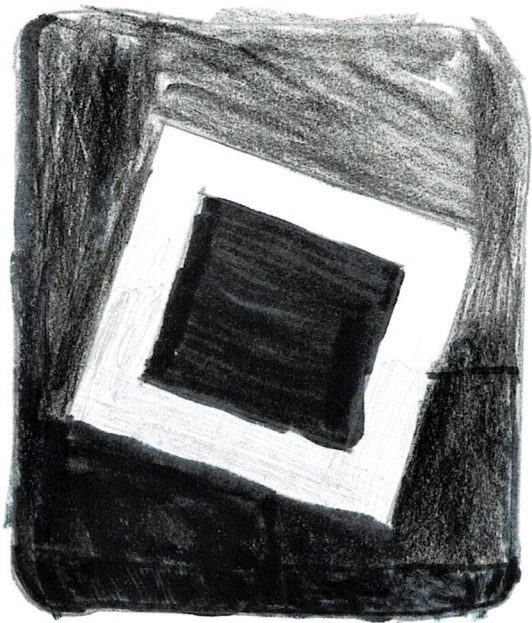

It's karate time! Since Corona we use Zoom for our training. We just do a workout for half an hour. It's a lot of fun to train with my karate class.

Game on, it is game time! My favorite time! I call my friends and ask if they want to play ROBLOX.

Let's play! Time for football! We also use Zoom for our training. It is 90 minutes long and it is a lot of fun.

Time for work! In the garden we want to make a terrace. So we all needed to help. I had to dig a hole with a pickaxe.

Put down your pencils, it's time to draw. I often draw anime figures from different shows like Dragonball Super and Seven deadly sins. It's a lot of fun to draw, but it's boring to draw on your own.
